Company Overview

H9 Cloud is an emerging software development company founded in January 2024 in Erbil, Iraq. Our mission is to transform the technological landscape of Kurdistan by delivering innovative and customized software solutions that empower businesses to succeed in the digital era.

Founded: March 2024

Location: Erbil, Iraq

Business Structure: (LLC)

At H9 Cloud, we embrace creativity and problem-solving as core elements of our approach. Our dedicated team of professionals is passionate about leveraging the latest technologies to tackle the unique challenges faced by our clients. We prioritize collaboration, working closely with businesses to understand their specific needs and provide solutions that enhance operational efficiency and foster growth.

As we embark on our journey, our vision is to establish H9 Cloud as a respected software development company in the region, nurturing a community of developers and setting high standards for quality and excellence. We are dedicated to shaping the future of technology in Kurdistan and beyond, ensuring our contributions leave a positive impact on the industries we serve.

Mission & Vision

Mission

At H9 Cloud, our mission is to be an innovative software development company in Erbil, empowering businesses with high-quality solutions that enhance efficiency and drive growth while fostering a vibrant community of developers in Kurdistan.

Vision

Our vision is to become the leading software development company in Iraq, recognized for our commitment to excellence and innovation. We aim to establish H9 Cloud as a premier digital hub, driving technological growth and fostering innovation throughout the country.

Core Values

At H9 Cloud, we cultivate a culture of innovation by exploring and integrating advanced technologies to keep our solutions relevant and effective. Integrity is at the core of our operations, as we uphold high ethical standards and promote transparency with clients and partners. We strive to understand our clients' unique challenges, allowing us to create impactful solutions. Our belief in collaboration enhances our problem-solving capabilities, drawing on the strengths of teamwork and diverse perspectives. Lastly, we are committed to excellence, consistently delivering high-quality products and services while seeking continuous improvement.

- **Innovation:** We prioritize the exploration and integration of advanced technologies, ensuring our solutions remain at the cutting edge of the industry.
- **Integrity:** We uphold the highest ethical standards in all our business dealings, fostering transparency and trust with clients and partners.
- **Customer Centricity:** We deeply understand our clients' unique challenges, crafting personalized solutions that deliver substantial value and impact.
- **Collaboration:** We believe in the strength of teamwork and strategic partnerships, leveraging diverse perspectives to enhance our problem-solving capabilities.
- **Community Engagement:** We actively participate in and contribute to the broader community, striving to be the leading digital community in Kurdistan and Iraq. By fostering a sense of belonging and strengthening relationships with our users and stakeholders, we aim to create impactful connections that drive growth and innovation in our region.

Services

Key Project

Cash9: Built for Modern Money Exchange & Transfer Companies

Cash9 is a web application built for companies that handle money exchange and transfers. It simplifies daily workflows like currency exchange, local and international remittances, and online transfers. The system supports secure tracking, reporting, and compliance. Cash9 helps financial businesses manage operations with speed and clarity.

Key Features:

- Multi-Branch Management
- Currency Exchange
- Local Transfers
- Branch & Expense Tracking
- Cloud-Based Access
- User Roles & Permissions
- Transaction History & Reporting

Impact on the Fintech Industry

Cash9 simplifies operations for money exchange businesses with a cloud-based, multi-branch system. It replaces manual processes with efficient, centralized tools. The platform improves accuracy, accountability, and daily financial tracking. Cash9 brings modern fintech standards to local financial services.

Vision for the Future

Cash9 aims to become the go-to platform for money exchange and transfer companies across the region. Future updates will include mobile access, advanced analytics, and integration with banking APIs. The goal is to fully digitize financial operations with security and scalability. Cash9 is built to grow with the evolving needs of the fintech sector.

Key Project

MED9: A Comprehensive Clinic Management Web Application

Med9 is an innovative clinic management web platform designed to transform the healthcare experience in Kurdistan and Iraq. Our mission is to digitalize the medical industry, enhancing operational efficiency and improving patient care through advanced technology.

Key Features:

- Patient History Management
- Appointment Scheduling
- Telemedicine Integration
- AI-Driven Insights
- Analytics Dashboard
- User-Friendly Interface:

Impact on the Medical Industry

With Med9, we aim to revolutionize the healthcare landscape in Kurdistan and Iraq by replacing traditional paper-based systems with a comprehensive digital solution. Our platform streamlines administrative tasks and enhances the quality of care provided to patients.

Vision for the Future

As we continue to develop and refine Med9, our goal is to establish it as the leading clinic management platform in the region. We envision a future where healthcare in Kurdistan and Iraq is characterized by digital efficiency, improved patient experiences, and better health outcomes. Through our efforts, we aim to empower healthcare providers with the tools they need to succeed in a rapidly evolving medical landscape.

Target Market

H9 Cloud provides innovative solutions across diverse sectors, catering to both small to medium-sized enterprises (SMEs) and large corporations. We specialize in helping businesses modernize their operations, integrate advanced technologies, and maintain a competitive advantage in their respective industries.

Business Goals for H9 Cloud

Short-Term Goals (2025-2026)

- **Launch Med9 Nationwide:** Successfully launch Med9 in every city across Iraq, continuously improving and expanding its features to dominate the healthcare sector.
- **Launch Money Exchange CRM:** Roll out our Money Exchange CRM and begin establishing a leadership position in the financial sector.
- **Complete Corporate CRM/HR Application:** Finish and launch the Corporate CRM/HR Management web and mobile application by the end of 2025, positioning it for early adoption in the market.

Long-Term Goals (2025-2030)

- **Regional Market Leadership:** Establish H9 Cloud as a top tech provider in Iraq and expand into the MENA region.
- **Expand Product Offerings:** Launch new SaaS products to meet emerging market needs and stay ahead of trends.
- **Strategic Partnerships:** Build key partnerships to drive innovation and expand our service network.
- **Sustainable Growth:** Focus on sustainability and community impact while supporting Iraq's technological development.
